ON THE FAMILY®
Malaysia

For a *parent* to ask a child

What do you like best about our family?

Your favourite way to spend time with me is ...

What makes you feel loved?

What's one rule you wish our family didn't have?

What advice would you give me as a parent?

What's the best and hardest thing about being your age?

If you could make up a school subject, what would it be?

If you never had to eat one vegetable, which would it be?

If you could be your favourite cartoon character, who would you be?

For a child to ask a parent

What is one thing
you like about
yourself?

What are you
most afraid of?

What do you
like/dislike about
your job?

When did you
feel most
proud of me?

How did Mum
and Dad meet
and fall in love
with each other?

What's your
funniest face?

Who is your
favourite
superhero?

If a genie gives
you three wishes,
what would you
wish for?

If you could be
invisible for a
day, what
would you do?

For siblings to ask each other

What do you want to be when you grow up and why?

What do you do to get yourself out of a bad mood?

What is the bravest thing you have done?

Your favourite way to spend time with me is ...

If you could have one extra body part, what part would it be and why?

If you could have any superpower, what would it be and why?

What would you have named yourself if you could have chosen your own name?

If you could be an animal for a day, which animal would you choose?

If our family had a theme song, what song would it be?
